

Delayed release of 1H25 results.

19 September 2024

Webjet Group Limited (**Webjet Group, the Company, WJL:ASX**) today announces a delay in the release of its 1H25 results.

In the process of finalising the Company's 1H25 results, the Company and its auditor, Deloitte, have become aware that, as a result of the significant complexities of the demerger transaction, additional time will be required to address technical accounting considerations. These issues do not impact underlying trading results or operations.

Accordingly, the Company's 1H25 results release and webcast briefing scheduled for Wednesday 20 November 2024 will be postponed.

Webjet Group expects to be in a position to lodge its Appendix 4D for the half year ending 30 September 2024 by no later than the commencement of trading on 29 November 2024.

This announcement was approved and authorised for release by the Board.
